CONNECTING WITH  
TEENS IN CRISIS

Become Part of the Solution!

Hosted by:

**HopeLine**  
from Verizon Wireless

Help support HopeLine from Verizon Wireless by bringing your no-longer-used wireless devices, accessories and batteries to the Teen CONTACT Conference on Tuesday, September 27 at The University of Texas at Dallas; we will have HopeLine drop-boxes.

We encourage all conference registrants to collect used wireless devices, accessories and batteries from any wireless provider, in any condition. Every device donated will be given to the Verizon Wireless HopeLine program. All proceeds from the program are used to provide wireless phones and cash grants to local shelters and non-profit organizations dedicated to ending domestic violence. Phones that can be refurbished are sold for reuse and those without value are disposed of in an environmentally sound way. Donated phones and accessories can be from any wireless provider.
